Dear Parents or Guardians,

The school year is well underway and students have now received their first progress reports. Baptist Hill will provide after school tutoring for any student in need of academic assistance or just wanting a safe, quiet, supervised environment to study and complete school assignments. Our after school program will be offered on Thursdays from 2:30p.m.-3:30 p.m. to any student interested. Bus transportation can be provided to transport students home.

If you would like your child to participate in the after school tutoring program, you must complete the info below and return it to Danielle Caradine, our Parent Liaison. This information must be submitted before your child is permitted to participate in the after school program.
