Baptist Hill Middle High School
A Title I Schoolwide School
Mrs. Vanessa Brown, Principal
2016-2017

Purpose of Title I

Title I of the federal *Elementary and Secondary Schools Act (ESEA)* legislation is a federal program that provides opportunities for the children served to acquire the knowledge and skills necessary to meet challenging state content standards.

Title I resources are distributed to schools where needs are the greatest, in amounts sufficient to make a difference in the improvement of instruction.

Title I coordinates services with other educational services and, to the degree possible, with health and social services programs.

Title I provides greater decision-making authority and flexibility within the schools and for teachers. However, greater responsibility for student performance is the exchange made for this flexibility.

Components of a Title I School wide Program

- A comprehensive needs assessment of the entire school is conducted.
- School wide reform strategies provide opportunities for all children to meet the State's performance standards.
- Instruction is conducted by a highly qualified staff.
- Professional development is conducted on a continual basis throughout the year.
- Activities are conducted to increase parent involvement.
- Plans are included to provide transitional assistance from pre-school to elementary, from elementary to middle school, and from middle school to high school.
- Measures are taken to include teachers in decisions about assessment.
- Activities are conducted to ensure that students with learning difficulties receive assistance.

Title I Participation

The Baptist Hill Middle High school continually monitors the implementation of the Title I plan and welcomes input from parents, school staff, and community members regarding its current and future Title I plans. If you would like to participate on the school's Title I planning team or make comments on the plan, please contact your parent liaison at 843-889-2276 ext.137. Thank you!

Parental Involvement

Parental involvement is an integral part of the Title I program. Parents are encouraged to become partners in helping their children achieve and become actively involved in all aspects of the process of the Title I program, from the writing of the plan to its implementation and evaluation.

A strong connection between the home and the school is a key element in student success. Materials, strategies, and help from teachers are available to all parents here at Baptist Hill Middle High School. Opportunities for active parent participation include, but are not limited to open house, parent workshops, school-parent compacts, home visitation, parent-teacher organizations, membership in School Improvement Council, quarterly newsletters, and more.

The *Elementary and Secondary Schools Act* legislation requires schools to utilize a portion of their Title I funds to support parent involvement.

Parents, **PLEASE** contact the school principal with any comments or suggestions regarding the school's parent involvement expenditures.

Parent Involvement Policy and Home-School Compact

The parent involvement policy explains how the school plans to work with parents to review and improve parent programs and describes how parents can participate in planning these programs.

The home-school compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the way in which the school and parents will build and develop a partnership to help children achieve the State's high standards.

For information about the Parent Involvement Policy and Home-School Compact, please contact Mr. John O'Connell at 843.889-2276 ext.124.

Description & Explanation of Curriculum, Forms of Academic Assessment, and Proficiency Levels Students Are Expected to Meet

Charleston County School District provides a high-quality curriculum based upon the South Carolina Curriculum Standards. This curriculum has been approved by the South Carolina Board of Education and adopted by the CCSD Board of Trustees. Textbooks used in the classrooms have been reviewed by a committee of teachers and adopted and endorsed by the State Department of Education. Specific educational programs in each school are targeted to meet the identified needs of the children in the school.

Charleston County School District administers a variety of standardized assessments to its students. The SC Ready, ACT, EOC and PASS are part of the state assessment program given to students in grades three through twelve and measures student performance on the state standards. Children in high school take EOC (end of course exams) and ACT (college preparatory exam). Children in middle school take PASS test and 2015-2016 SC Ready Exam. To monitor student progress throughout the year, students are given the Measures of Academic Progress (MAP) and other teacher-prepared and textbook-provided assessments.

Based upon requirements of *ESEA*, all students in grades three through twelve are expected to meet proficiency on all assessments.
